Carly

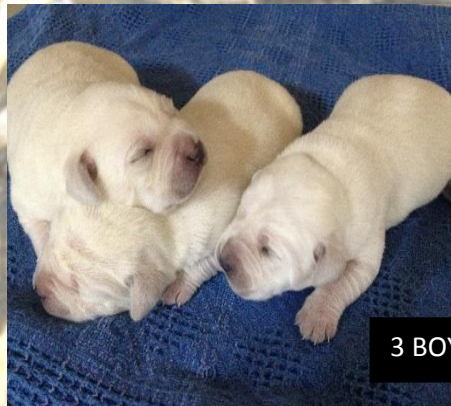

Dam: Carly is a yellow lab with black eyes and black nose. She is our family pet who adores children and is very gentle and good natured. She has many hunting tendencies. Several of her ancestors have been trained to be excellent hunting dogs. Her pedigree indicates a champion show bloodline as well.

Sire: Troy is a yellow lab with black eyes and black nose. He has a very rich heritage from the acclaimed champion Dickendall bloodline. He also has master and junior hunters in his bloodline. Troy is our family pet who is very gentle, loving, and has a super temperament.
